

Annual Health and Medical Record

(Valid for 12 calendar months)

Medical Information

The Boy Scouts of America recommends that all youth and adult members have annual medical evaluations by a certified and licensed health-care provider. In an effort to provide better care to those who may become ill or injured and to provide youth members and adult leaders a better understanding of their own physical capabilities, the Boy Scouts of America has established minimum standards for providing medical information prior to participating in various activities. Those standards are offered below in one three-part medical form. Note that unit leaders must always protect the privacy of unit participants by protecting their medical information.

Parts A and C are to be completed annually **by all BSA unit members**. Both parts are required for all events that do not exceed 72 consecutive hours, where the level of activity is similar to that normally expended at home or at school, such as day camp, day hikes, swimming parties, or an overnight camp, and where medical care is readily available. Medical information required includes a current health history and list of medications. Part C also includes the parental informed consent and hold harmless/release agreement (with an area for notarization if required by your state) as well as a talent release statement. Adult unit leaders should review participants' health histories and become knowledgeable about the medical needs of the youth members in their unit. This form is to be filled out by participants and parents or guardians and kept on file for easy reference.

Part B is required with parts A and C for any event that exceeds 72 consecutive hours, a resident camp setting, or when the nature of the activity is strenuous and demanding, such as service projects, work weekends, or high-adventure treks. It is to be completed and signed by a certified and licensed health-care provider—physician (MD, DO), nurse practitioner, or physician's assistant as appropriate for your state. The level of activity ranges from what is normally expended at home or at school to strenuous activity such as hiking and backpacking. Other examples include tour camping, jamborees, and Wood Badge training courses. It is important to note that the height/weight chart must be strictly adhered to if the event will take the unit beyond a radius wherein emergency evacuation is more than 30 minutes by ground transportation, such as backpacking trips, high-adventure activities, and conservation projects in remote areas.

Risk Factors

Based on the vast experience of the medical community, the BSA has identified that the following risk factors may define your participation in various outdoor adventures.

- Excessive body weight
- Heart disease
- Hypertension (high blood pressure)
- Diabetes
- Seizures
- Lack of appropriate immunizations
- Asthma
- Sleep disorders
- Allergies/anaphylaxis
- Muscular/skeletal injuries
- Psychiatric/psychological and emotional difficulties

For more information on medical risk factors, visit Scouting Safely on www.scouting.org.

Prescriptions

The taking of prescription medication is the responsibility of the individual taking the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but BSA does not mandate or necessarily encourage the leader to do so. Also, if state laws are more limiting, they must be followed.

BOY SCOUTS OF AMERICA

Annual BSA Health and Medical Record

Part A

GENERAL INFORMATION

Name _____ Date of birth _____ Age _____ Male Female
 Address _____ Grade completed (youth only) _____
 City _____ State _____ Zip _____ Phone No. _____
 Unit leader _____ Council name/No. _____ Unit No. _____
 Social Security No. (optional; may be required by medical facilities for treatment) _____ Religious preference _____
 Health/accident insurance company _____ Policy No. _____

**ATTACH A PHOTOCOPY OF BOTH SIDES OF INSURANCE CARD (SEE PART C).
 IF FAMILY HAS NO MEDICAL INSURANCE, STATE "NONE."**

In case of emergency, notify:

Name _____ Relationship _____
 Address _____
 Home phone _____ Business phone _____ Cell phone _____
 Alternate contact _____ Alternate's phone _____

MEDICAL HISTORY

Are you now, or have you ever been treated for any of the following:

Yes	No	Condition	Explain
		Asthma	
		Diabetes	
		Hypertension (high blood pressure)	
		Heart disease (i.e., CHF, CAD, MI)	
		Stroke/TIA	
		COPD	
		Ear/sinus problems	
		Muscular/skeletal condition	
		Menstrual problems (women only)	
		Psychiatric/psychological and emotional difficulties	
		Learning disorders (i.e., ADHD, ADD)	
		Bleeding disorders	
		Fainting spells	
		Thyroid disease	
		Kidney disease	
		Sickle cell disease	
		Seizures	
		Sleep disorders (i.e., sleep apnea)	
		GI problems (i.e., abdominal, digestive)	
		Surgery	
		Serious injury	
		Other	

Allergies or Reaction to:

Medication _____

Food, Plants, or Insect Bites _____

Immunizations:

The following are recommended by the BSA. Tetanus immunization must have been received within the last 10 years. If had disease, put "D" and the year. If immunized, check the box and enter the year received.

Yes	No	Date
<input type="checkbox"/>	<input type="checkbox"/>	Tetanus _____
<input type="checkbox"/>	<input type="checkbox"/>	Pertussis _____
<input type="checkbox"/>	<input type="checkbox"/>	Diphtheria _____
<input type="checkbox"/>	<input type="checkbox"/>	Measles _____
<input type="checkbox"/>	<input type="checkbox"/>	Mumps _____
<input type="checkbox"/>	<input type="checkbox"/>	Rubella _____
<input type="checkbox"/>	<input type="checkbox"/>	Polio _____
<input type="checkbox"/>	<input type="checkbox"/>	Chicken pox _____
<input type="checkbox"/>	<input type="checkbox"/>	Hepatitis A _____
<input type="checkbox"/>	<input type="checkbox"/>	Hepatitis B _____
<input type="checkbox"/>	<input type="checkbox"/>	Influenza _____

Exemption to immunizations claimed.

(For more information about immunizations, as well as the immunization exemption form, see Scouting Safely on Scouting.org.)

MEDICATIONS

List all medications currently used. (If additional space is needed, please photocopy this part of the health form.)

Inhalers and EpiPen information must be included, even if they are for occasional or emergency use only.

Medication _____ Strength _____ Frequency _____ Reason for medication _____ Approximate date started _____ Temporary <input type="checkbox"/> Permanent <input type="checkbox"/>	Medication _____ Strength _____ Frequency _____ Reason for medication _____ Approximate date started _____ Temporary <input type="checkbox"/> Permanent <input type="checkbox"/>	Medication _____ Strength _____ Frequency _____ Reason for medication _____ Approximate date started _____ Temporary <input type="checkbox"/> Permanent <input type="checkbox"/>
Medication _____ Strength _____ Frequency _____ Reason for medication _____ Approximate date started _____ Temporary <input type="checkbox"/> Permanent <input type="checkbox"/>	Medication _____ Strength _____ Frequency _____ Reason for medication _____ Approximate date started _____ Temporary <input type="checkbox"/> Permanent <input type="checkbox"/>	Medication _____ Strength _____ Frequency _____ Reason for medication _____ Approximate date started _____ Temporary <input type="checkbox"/> Permanent <input type="checkbox"/>

NOTE: Be sure to bring medications in the appropriate containers, and make sure that they are **NOT expired, including inhalers and EpiPens. You **SHOULD NOT STOP** taking any maintenance medication.**

Last name:

Part B

PHYSICAL EXAMINATION

Height _____ Weight _____ Meets height/weight limits Yes No Blood pressure _____ Pulse _____

Individuals desiring to participate in any high-adventure activity or events in which emergency evacuation would take longer than 30 minutes by ground transportation will not be permitted to do so if they exceed the weight limit as documented at the bottom of this page. Enforcing the height/weight limit is strongly encouraged or even, but it is not mandatory. (F0hhealth)
